

Material Safety Data Sheet
Insul8 HP RUF**1. Identification of the Product and Company****1.1 Product – Insul8 HP RUF****1.2 Application – Thermal Insulating Material****1.3 Company Identification**

Marley Waterproofing
Covert Road
Aylesham Industrial Estate
Aylesham
Kent CT3 3EQ

1.4 Telephone Number -01304 843300**2. Composition/Information on Ingredients**

CFC free, rigid, closed cell polyurethane foam.
Boards are faced with glass reinforced cellulose.

3. Hazards

Not hazardous.

4. First Aid Measures**4.1 Eye Contact**

Dust should be washed from the eye with cold, clean water.

4.2 Skin Contact

Any material on the skin should be washed off with soap and water.

5. Fire Fighting**5.1 Extinguisher Method**

Use water spray, chemical foam or carbon dioxide extinguishers

5.2 Hazardous Decomposition Products

Combustion of urethane foams emits; toxic, asphyxiant, explosive and corrosive gases.

6. Accidental Release Measures - Not Applicable**7. Handling and Storage****7.1 Handling**

Care should be taken when cutting this material.

7.2 Storage

All possible precautions against sources of ignition and fire spread should be taken when storing due to the material being highly combustible.

8. Exposure Controls/Personal Protection**8.1 Exposure Controls**

No relevant exposure limits

8.2 Personal Protection

Dust will be generated during any on site fabrication and the use of a simple particle mask is recommended when working in an unventilated space. Gloves and protective clothing should be worn if material irritates the skin.

9. Physical and Chemical Properties – N/A**10. Stability and Reactivity - N/A****11. Toxicological Information**

Eye Dust in the eyes will cause irritation.
Skin Skin contact with some facing materials may cause irritation in some individuals.

Ingestion There is no specific effect.

Inhalation Not applicable.

12. Ecological Information

No information

13. Disposal Considerations

Solid polyurethane waste may be disposed of using normal waste contractors.

14. Transport Information

Not classified for transport.

15. Regulatory Information

References:

Suppliers data sheets

The Control of Substances Hazardous to Health Regulations.

16. Other Information

The data sheet and the advice given apply only when the product is used for the stated application according to the directions for use. Use for other applications may give rise to risks not covered by this data sheet.

If you have purchased this product for use by a third party it is a requirement that you make the information contained in this data sheet available to that person and you ensure that the spirit and intention of the recommendations are implemented.

This data sheet does not constitute a users assessment as required by regulation 6 of the COSHH regulations.

This Material Safety Data Sheet supersedes all previous issues.

Issue Date: January 2005
