

Material Safety Data Sheet Aquagard

1. Identification of the Product and Company

1.1 Product - Aquagard

1.2 Application - Damp Proof Course

1.3 Company Identification

Marley Waterproofing

Covert Road

Aylesham Industrial Estate

Aylesham

Kent CT3 3EQ

1.4 Telephone Number – 01304 843300

2. Composition/Information on Ingredients

A blend of PVC, plasticisers, pitch and fillers

3. Hazards

Not hazardous

4. First Aid Measures

4.1 Eye Contact

Not applicable

4.2 Skin Contact

Not applicable

4.3 Ingestion – Seek medical advice

4.4 Inhalation

Not applicable

5. Fire Fighting

5.1 Extinguisher Method – water

5.2 Fire & Explosion Hazards

None known

5.3 Protective Measures – Fire fighters should avoid breathing smoke and fumes, use of self-contained breathing apparatus is recommended.

6. Accidental Release Measures

Not applicable

7. Handling & Storage

Store on end on flat surface. No handling hazard.

8. Exposure Controls/Personal Protection

No relevant exposure limits

9. Physical and Chemical Properties

Appearance Black sheet material

Odour Slight of Pitch

Specific Gravity approx. 1.3 g/cm³

10. Stability and Reactivity

Stable

11. Toxicological Information

No known toxic effects

12. Ecological Information

Not readily biodegradable

13. Disposal Consideration

Landfill site according to local regulations

14. Transport Information

This product is not restricted and is not UN listed.

15. Regulatory Information

References

Suppliers data sheets

The Control of Substances Hazardous to Health Regulations, (COSHH)

16. Other Information

This data sheet and advice given apply only when the product is used for the stated application according to the directions for use. Use for other applications may give rise to risks not covered by this data sheet.

If you have purchased this product for use by a third party it is a requirement that you make the information contained in this data sheet available to that person and that you ensure that the spirit and intention of the recommendations are implemented.

This data sheet does not constitute a users assessment as required by regulation 6 of the COSHH Regulations.

This Material Safety Data Sheet supersedes all previous issues.
